HOBBIES

CAREER OBJECTIVE

From the very first moment I started coding, it became my passion. I spend most of my free time learning and improving my front-end development skills. I am eager to gain new knowledge and experience, making up for my lack of commercial practice with strong dedication and determination. I am diligent, punctual, and always strive for high-quality work. I would love to apply my skills and continue learning in your company.

PROJECTS

Portfolio Website <https://www.giszter.com/>

All my projects are available on my portfolio website. It includes both completed applications and experimental projects that I develop to expand my skills.
